

# **Lewiston Police Department Squad Car Design Challenge**

The Lewiston Police Department is looking for your help in designing the graphics for our next squad car. Included with this form is an outline of a 2017 Chevy Tahoe. The Tahoe will be white in color and the design can cover the rear most side windows on the vehicle. You can check our Facebook page to see a picture of our current squad car and graphics, but this Tahoe can have a completely different graphic.

J-line Design from Hokah Minnesota will be assisting us with taking your design, cleaning it up, sizing it, and making minor changes to it before it is installed on our vehicle. You will also be given credit by having your name (small print) on the squad car as the designer.
